# Freestyle™ **HANDS-free**

Wearable.  
Designed for Multitasking.

# NEW

**medela**   
THE SCIENCE OF CARE™

- **Unique Anatomic Design**
- **Ultra Light**
- **Built-in Rechargeable Battery**

# Freestyle™ **HANDS-free**

Choose the superior hands-free experience.

It is designed for you to carry on with other tasks while you're expressing. The compact, pocket-sized pump is a separate unit, allowing our lightweight collection cups to fit discreetly inside your bra for a superior hands-free pumping experience.

**Ultra Light Weight**  
Weight only 76g each

**High Capacity**  
150ml / 5oz for each collection cup

**Easily Clean and Assemble**  
Only 3 parts to clean

**105° Breast Shields**  
Better fit breast shape and help milk flow more easily

**Overflow Protection**  
Prevents breast milk from entering the tubing and motor

**2-Phase Expression® Technology**  
Mimics babies' natural sucking rhythm, for more comfortable and efficient pumping

**Highly Efficient**  
Double pumping yields more milk in less time than pumping from each breast in turn

**Unique Anatomic Design**  
Comfortably and discreetly fit into your bra

**24 mm** **21 mm** **2 Breast Shields Size Included**

**Intuitive Multifunctional Interface**

- Count-up timer
- Delay start & pause function
- Pumping setting
- Battery charge indication

**9** **9 Adjustable Levels**

**Built-in Rechargeable Battery**  
Lasts up to eight double pumping sessions

**No Tip Base**  
Can be placed vertically on a flat surface to avoid tipping over

**USB Cable Port**  
Powering up anywhere you are
